MONTHLY NEWSLETTER OF
WESTMINSTER PRESBYTERIAN CHURCH

Dear saints,

September at WPC means that we get back into the swing of things, with our Sunday School classes and our Connect groups kicking off a new year of worshipping, learning, giving, and connecting! Even for those at WPC not heading back to school this fall, it's a chance to renew our faith commitment and to reengage with WPC's ministries. September worship will be a chance to "REBOOT" as we spend time in Paul's letters and look at practical transformations in the lives of disciples, including how to reconcile, reimagine, reframe, and rethink in the light of Christ. What rhythms or routines in your spiritual life are you hoping to reclaim? Do you need to reboot your worship practices, your learning opportunities, your giving commitment, or your connecting relationships?

Christian author Anne Lamott famously wrote about rebooting: "Almost everything will work again if you unplug it for a few minutes, including you." Unplug from fear, anxiety, and worry. Unplug from bad habits and inertia. Plug into the energy, intelligence, imagination, and love of Jesus Christ to be renewed and reconciled with God and with each other. In the rest of this newsletter, you'll find an abundance of ways to plug in at WPC. Plug into Young Adult Bible study, Blessing of the Pets, Youth Group, Quilters, or Women's Circle. Plug in as a Sunday School teacher, or Mobile Food Pantry worker, or Guns to Gardens volunteer. For Christ is making all things new - including us, including Westminster, including Arlington - transforming us to look more and more like God's kingdom. And that means that it is never too late to make a new start.

Grace and peace,

Kate

Choir Rehearsal

Wednesdays @ 7:00 pm

You don't have to have perfect timing or perfect pitch to "make a joyful noise to the Lord" by joining the WPC choir. Now is the "perfect time" to join as we are just beginning to learn new songs for the fall and winter. We are a joyful group of people who gather on Wednesday evenings at 7:00 to practice and then joyfully sing on Sunday mornings in worship. Consider this our "perfect pitch" to you to come join us. Please talk to our Minister of Music, Jackie Ancelet if you have questions.

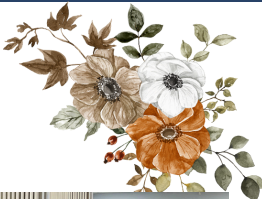

Worship Flower Donations

We have ONE open Sunday left on our 2025 Flower Chart: November 9. **The cost is \$30**, and the flowers are yours to take home after worship. Thank you to everyone for helping us bring God's beauty into worship! If you are not going to be in worship on your donation date, please let Susan Johnson or the office know.

!!!!

Our WPC grounds are maintained by volunteers. Fully staffed we would have 10 people to maintain the grounds around our beautiful church. Currently we have 4! We need people to volunteer one Saturday each month usually from March through November. Volunteering 2-3 hours or whatever you can each month to help maintain our lawns for safety and beauty. We need volunteers to mow, weed eat, edge, or just help by picking up sticks and trash on the grounds. We provide all the equipment and can show you how to use the equipment we've got. What a great way use your talents to serve both our community and our congregation! Any questions or to volunteer contact Walter O or David Ferrell.

Swift Elementary

Thanks to your generous donations, WPC's Mission Committee provided breakfast as a special treat for Swift Elementary educators on a professional development day. We got to speak words of hope to them, as well as leave special teacher blessings for the year. Thank you again for your continued support of WPC's budget, which allows us to love our neighbors as Jesus loved us.

Financial Report as of July 31, 2025

I am happy to report that we finished July with a positive balance and a positive outlook going forward. As we look back over the first seven months of 2025, we have been able to accomplish much more than we had originally planned for. Early in the year, Session determined that we were in strong enough financial position to finish off our pledge to the Camp Gilmont Capital Campaign with a \$10,000 payment, nearly two years early. This fulfillment of our pledge allowed Camp Gilmont to expedite their planning and construction. Many of our youth and adults have spent a week or two at Camp Gilmont and have fond memories there.

Also, we sent \$5,000 to Grace Presbytery to reinforce that we are a part of the connectional church and what we gain from that relationship.

Also to your donations for the Presbytery Disaster Assistance program to help recover from the devastating floods in south Texas early this year, the Session voted to send \$10,000 to PDA to use as needed to help our neighbors there. Luckily, Mo-Ranch was spared significant damage, but their neighbors and friends were not as fortunate.

We continue to look for opportunities both within the church facilities (have you seen the playground lately?) and for opportunities in our neighborhood. This would not be possible without your support. For that, we THANK YOU.

Church Treasurer

Peace & Global Witness Offering Sunday, October 5

On World Communion Sunday on October 5, we celebrate that Christ's peace extends throughout all creation. Whenever the church gathers for worship, we are assured of Christ's peace. We celebrate that we are connected, we are loved and we are not alone. We worship together and are fed from Scripture and at Christ's table of peace. Extending the peace of Christ is part of an active, engaged faith—a witness to what it means for us to be the Church, together. Through participation in the Peace & Global Witness Offering, WPC is extending Christ's peace throughout our community and our world.

Paul tells the church in Rome to pursue what makes for peace, build each other up, and to not cast judgment on those who are different from us or have different customs or needs for our own (Romans 14). Paul invites the Romans - and us - to break down the neat and orderly worlds we create for ourselves and experience the fullness of our diversity. This means leaving our comfort zones and seeing our neighbors, both around the corner and around the world, not as "them" but as "us," friends and siblings in Christ. Whenever we welcome and embrace one another in this way, we response to Paul's invitation to pursue what makes for peace.

A gift to the Peace & Global Witness Offering enables the church to pursue peace in a variety of ways. WPC retains 25% of this Offering for our own peacemaking efforts. Mid-councils retain an additional 25% for ministries of peace and reconciliation. The remaining 50% is used by the Presbyterian Mission Agency to advocate for peace and justice in cultures of violence, including our own, through collaborative projects of education and Christian witness. All our gifts together can make a meaningful impact, so please give generously on October 5!

Loving God,
may we see your face in those
we meet in our neighborhoods
and around the world.

Show us how we might be bringers
of peace to all of your people.

Did you know...WPC Staff went on their first retreat together in July? We spent 36 hours planning, praying, laughing, singing, stretching, and dreaming at Pastor Kate's uncle's lakehouse.

Upcoming Retreats at Gilmont North Texas Presbyterian Pilgrimage #54

October 17-19 @ Camp Gilmont

During the three days of a Pilgrimage weekend, participants form a small Christian community. They worship, study and share with one another while gaining a personal awareness of their faith and the joys and responsibilities that are a result of that faith. The purpose of Pilgrimage is for the participants to discover a new and exciting relationship with Christ and to encourage them to take this new-found relationship back to their home. It challenges and equips each local church member for Christian action in their local church, in their home, in their place of work and in their community. Questions? Reach out to Barbara Kennedy, Earlene Pike, Sandra James, or Pastor Kate. Scholarships are available. Check out a short video about Pilgrimage and register at ntpp.org.

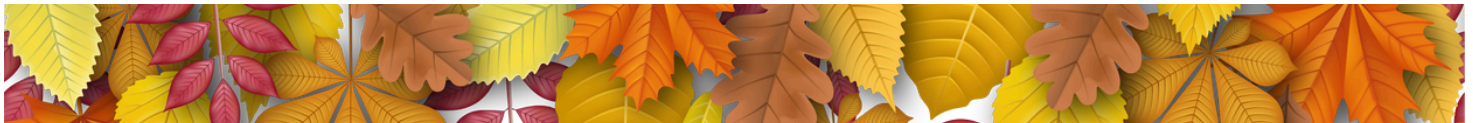

Young Adult Retreat

October 24-26 @ Camp Gilmont

The Young Adult experience is varied and full of transitions. Some of us are on our first career, some of us are on our third, and others are still figuring it out. Some of us are renting, just bought our first house, or are living with our parents until we pay off our student loans. We may be single, dating, newlyweds, or even have a few toddlers in the house. Wherever you are in your young adulthood, this retreat invites you to rest in creation, refocus your spirit, and reclaim the role of play in your life.
