MONTHLY NEWSLETTER OF  
WESTMINSTER PRESBYTERIAN CHURCH

Dear saints,

Our summer kicks off with some amazing travel around the world and under the sea - without ever leaving Arlington as we worship, learn, give, and connect.

In worship on June 1, we'll celebrate our graduates who are headed off to places near and far, as well as our scholarship recipients for the good work they are doing in higher education. In our special summer Sunday School, we're headed around the world in 90 days, as experienced travel guides teach us about living as a Christian in different parts of the world.

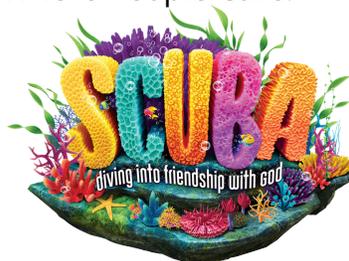

Then, head under the sea as we dive into friendship with God at our SCUBA Vacation Bible School from June 22-25! Kids will be immersed into an underwater adventure, where they will meet different ocean creatures and learn that God is a real, loving, trustworthy friend forever and for everyone. There are opportunities for children, youth, and adults to dive deep! Register your children at [wpcarlington.org/vbs](http://wpcarlington.org/vbs), and see Erin O'Connor or Teresa Sullivan with any questions. Be sure to check out our new hospitality lounge for parents and guardians!

As you plan your own travels this summer, remember that you can always catch up with WPC on YouTube: [youtube.com/wpctx](http://youtube.com/wpctx). Find our latest live streams by clicking the tab that says "live"! My travels will take me down to Austin for my fourth Doctorate of Ministry class at the beginning of June. I'm really looking forward to being back with my cohort and learning about "Wonder and the Body: Living Justly" with Rev. Dr. Phil Hesel. Thank you for all your prayerful support on this journey! I'm blessed to be a part of WPC: Where People Care.

Grace and peace,

*Kate*

## June Sunday School

### K-Sixth Grade

K-6<sup>th</sup> Grade Sunday School is taking a break over the summer. However, that doesn't mean we will not have times for connection. Ms. Brooklyn will be sharing dates to look forward to: swimming, picnic lunches, and maybe even a fun family date!

### Youth & Adults - Around the World in 90 Days!

Adults, college students, and youth are joining together this summer in Fellowship Hall to travel "Around the World in 90 Days!" At 9:45 am each Sunday, an experienced 'travel guide' will take us to a new country and learn about their culture, and what it is like to be a Christian there. Reach out to Erin O'Connor with any questions! Here's the June schedule:

- June 1 - Intro with Pastor Kate
- June 8 - Peru with Daniel Garcia
- June 15 - TBD
- June 22 - TBD
- June 29 - TBD

### Child Protection Training - June 1

If you (or your youth) have been working or plan to work with children and/or youth at WPC - this includes VBS, Sunday School, Youth Group hangouts, Student retreats, or nursery - please plan on joining a short Child Protection Training after the service on June 1. This is important to our community that all who will interact with children have completed this training. Please reach out to the WPC office or Brooklyn directly with any questions.

## Now Recruiting: Earth Care Team

The Earth Cares Congregation is a designation started by our national Presbyterian church to help congregations care for our church property in a respectful way toward the planet, as well as educate our members and friends about environmental justice. Our Earth Cares team is acquiring points in the areas of worship, facilities, education, and outreach. Our Earth Cares team is always growing as well! There is no age requirement, and we'd love to have some youth join our team (this also might qualify for some of the service hours needed in your school)! If you'd like more information or you'd like to join the Earth Cares team, please contact Catherine Fritz.

## Household Hazardous Waste - What Do I Do?

Leftover household products that are corrosive, toxic, ignitable, or potentially hazardous are classified as HHW(Household Hazardous Waste). Paints, cleaners, oils, pesticides, and batteries are NOT collected at the curb. There's two options to safely get rid of HHW: 1. Storage capacity is limited, so arrive early. Must provide current driver's license or water bill as proof of residency, and businesses/contractors will not be accepted. ## "Waves of Change" PCHAS Luncheon

WPC was represented well at our annual Fort Worth luncheon!

Here's a glimpse into the difference that PCHAS can make:

At just 13, Paige entered foster care with her younger siblings and carried the weight of keeping them grounded. After aging out of the system, she felt lost until she received an unexpected email from a PCHAS staff member helped her see a different future. With support and guidance, Paige enrolled in college and began working toward her dream of becoming a kindergarten teacher.

This May, Paige will proudly graduate with her associate's degree in early childhood education and plans to transfer to a four-year university to earn her bachelor's degree. Thank you for your continued support of PCHAS!

## Welcome Home Donations

The Welcome Home Offering provides basic necessity items to those who are dealing with homelessness and transitioning to stable housing. For the month of June, we are collecting sunscreen and insect repellent for our partners at When We Love ([www.whenwelove.com](http://www.whenwelove.com)). Bring to worship with you any Sunday and place in the marked bin by the entry doors. This goes right here to our neighbors in Tarrant County! Questions? contact Barbara Kennedy.

## Fill the Grocery Basket! June 1

Thank you for your generous outpouring of food in May! We continue to help Arlington Charities provide for those in need by collecting non-perishables on the first Sunday of each month. The grocery basket can be found in the pass through and is always available for donations.

## Financial Report as of April 30, 2025

What a wonderful spring it has been. Hopefully you have been able to enjoy some of this spring weather knowing summer is just around the corner. Like the weather, WPC has financially enjoyed a pleasant "spring" through April. The Finance Committee looks over the financial reports in more detail while the Session takes a higher level approach to its review at Session Meetings. However, each session committee is tasked with the responsibility of review their portion of the detailed reports in their committee meeting. As treasurer, I try to highlight for them any significant variation from their budget. So we have many eyes looking over our financial position.

As of April 30, WPC has collected over \$110,700 toward the 2025 pledges. Our expenses are about \$104,800. I am pleased with our financial position, but I also know things change, and we need to keep our eyes on what we are supposed to be doing. And that is further the mission of the church.

If you are interested in finding out more, we encourage you to join the Finance/Stewardship Committee or ask questions of myself or any other member of the Finance Committee: Rob Henderson - Chair, Jill Westrom, Steve Westrom, Mario Koym-Garza, David Ferrell, Charles Bridges, and Michelle Rodriguez.

Church Treasurer

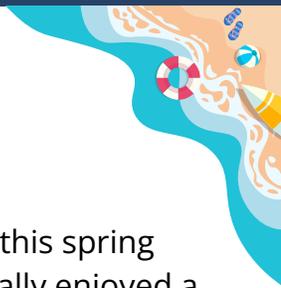

## Staff Appreciation Week

To our wonderful Westminster family,

We want to extend our heartfelt thanks to each and every one of you who showed us love and appreciation during Staff Appreciation Week. Your kind words, thoughtful gestures, prayers, and acts of generosity were deeply meaningful and reminded us of the incredible church family we're blessed to serve. It is a true joy and honor to be part of this community, and your encouragement strengthens and uplifts us more than you know.

Thank you for making us feel so valued and supported.

With gratitude and love, WPC Staff

# Living Waters for the World

## Clean Water for Canoas Altas: A Community's Commitment to Health and Hope

The Instituto Mixto in Aldea Canoas Altas, San Andrés Semetabaj, Sololá, serves as a beacon of education and community involvement in rural Guatemala. Like many schools in remote areas, it faces a critical health challenge: access to clean water. Students benefit from purified water during school hours, but inconsistent access at home leaves families vulnerable. The school's leadership team, under Director Profe. Erik Giovanni Locón Yac, along with dedicated faculty teachers, have stepped forward to address this issue not only for their students but for the wider community.

Through a recent planning meeting with the Living Waters for the World Guatemala Network, school leaders collaborated with mission teams from Westminster Presbyterian Church (Arlington, TX) and Grace Presbyterian Church (Temple, TX) to craft a sustainable solution. Instituto Mixto's staff proposed extending water access year-round by keeping administrative and water system operations active even when classes are not in session. They also committed to implementing a family-focused distribution model, offering clean water to student households at an affordable rate—priced below the prevailing market—and exploring delivery options through local tuk-tuk drivers to overcome distribution barriers.

To support this vision, both partner churches have pledged to fund the construction of a dedicated water purification room, a departure from LWW's standard model but a necessary step given the school's limited financial resources. With the support of LWW in country Network Coordinator, Pablo Perez, LWW Technician Luis Rodas, and oversight by team leaders Harry Staley and Ed Seeger, the new facility will be built adjacent to the school's kitchen in time for a water filtration system installation this November. As the Instituto Mixto staff prepares to lead community health and water education efforts, this project reflects not only a physical transformation but a shared moral commitment: that every child—and every family—in Canoas Altas deserves clean water and the dignity it brings.

## Blessing Bags

If you encounter someone at WPC who is experiencing homelessness, there are now "Blessing Bags" in a closet in the hallway just outside the sanctuary! Thanks to Steve Holland for this very generous donation.

*The Woman They Could Not Silence* by Kate H. Moore

This award-winning book relates the story of Elizabeth Packard, housewife and mother of six, whose husband, fearful of her independent spirit, decides to have her committed to an insane asylum. In the Illinois State Hospital, Elizabeth learns that she is not the only sane woman incarcerated there. Elizabeth's fight for freedom exposes the abuse of those women and leads to human rights reforms. This book is based upon a true story.

In July we will be reading *The Exiles* by Jane Harper. Set in Australia, investigator Aaron Falk discovers a year old mystery about the disappearance of a young mother. What would lead a mother to abandon her child? What happened to missing Kim Gillespie? Falk can't leave the case alone and discovers dark questions as the truth emerges.

Upcoming books include:

August—*The Frozen River* by Ariel Lawhon

September—*The Women* by Kristen Hannah
