MONTHLY NEWSLETTER OF  
WESTMINSTER PRESBYTERIAN CHURCH

Dear saints,

He is risen! He is risen indeed. We enter the Great 50 Days of Easter with a deep, abiding joy in our hearts, remembering that Christ is alive in our midst today. Over the next few weeks, we'll be celebrating the joyful surprise of Easter.

Our own Nina Henderson recently had a delightful surprise. While eating at Cracker Barrel with her daughter Halley and granddaughter Evie, she was waiting to pay her bill when she found out - surprise! - someone else had already paid it. She was stunned. This had never happened to her before! It was a sweet joy to fill her week.

When has God surprised you - by bringing good news in the midst of hardship? Have there been times when you surprised yourself by having courage? Have you ever been part of a surprise party?! How many times have we thought it was an ending but God surprised us with a new beginning? The famed comedienne Gracie Allen wrote, "Never place a period where God has placed a comma." Through the life, death, and resurrection of Jesus Christ, God has put a comma - God has transformed dead ends into Easter surprises, overflowing with life and possibilities.

Come witness our Easter God at work this month as we worship, learn, give, and connect. Will you encounter a surprise at the PCHAS Luncheon on May 7? Find surprising connections in Bible study, Sunday School, or Beer Tasters. Come hear about the surprises Catherine encountered on her Living Waters for the World mission to Guatemala on May 18!

Let us be on the lookout for whatever Easter surprises God has in store for us this year. For He is risen!  
He is risen, indeed.

Grace and peace,

*Kate*

We are honored to announce that Dr. Opal Lee, affectionately known as the "Grandmother of Juneteenth," will be our special guest at Freedom Table 2025 on July 1! ## Financial Report as of March 31, 2025

As we slip by the first quarter of 2025 and look into the future, it is with great gratitude to you that we report Westminster is in excellent financial position. Our 2025 pledging season resulted in the best ever results. As of the end of February, we had received 64 pledges totaling \$269,935. Over 75% of our 2024 "giving units" turned in a pledge to support the session's proposed budget of \$289,660, leaving us with a "faith factor" of 7.3%. Based on history, anything under a 15% faith factor leaves me feeling good about the coming year.

In addition, we have received more pledges since the end of February and added several new members. Of course, your pledge is just your best estimate of what you will be able to give during the year. We understand that "life" happens and plans sometimes have to change. That happens to any family and can happen to our church family as well. Your support, whether financially or through prayer or using your God-given talents, allows us to look for new challenges.

So far this year, we have not only met the day-to-day financial obligations (think electric, gas, payroll, insurance, etc), but also we paid our final share of the church's three year pledge to the Camp Gilmont Capital Campaign. This three year commitment of \$15,000 to the camp many of us have spent time at during youth or adult outings, allows us to escape the hassle of city life and see God as he works his wonders through nature. I know many of you individually also made pledges to support the camp.

Closer to home, we have been able to support the Wesley Foundation at UTA as they begin some long-needed updates and repairs to their center, which nourishes believers at UTA. WPC has had a long relationship with them as we provide occasional meals as students worship together. And this is just a couple of the ways you help provide to our community. Thank you for your support in all that you do.

David Rawhouser,  
Church Treasurer

### Soft Drink/Water Concession

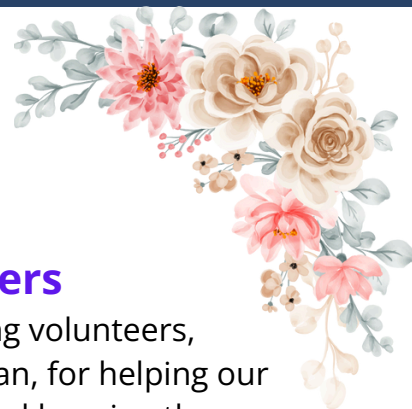

As most of you know, there is soda and water for sale in the Fellowship Hall kitchen refrigerator.

This concession was originally started by the Youth Group for their benefit and I am pleased to say that the group has grown in size to where we are going to, once again, dedicate these funds to support them. Thank you for your past support and if you have any questions, please see Jill Weststrom.

## Gardening Helpers

A big shout out to wonderful gardening volunteers, Bonnie Garcia, Sue Crow and Rae Logan, for helping our spring flower beds thrive and grow (and keeping those weeds out!).

Please let Bonnie know if you are interested in joining their team!

## Now Recruiting: Earth Care Team

The Women's Circle Bible Study has been working through a very interesting study workbook that has to do with justice issues in many different areas. One that was especially interesting to us was on Climate Change, and we learned that the national Presbyterian Church has a department that offers church congregations a way to express their unity with environmental and climate change challenges

and receive a special designation. The Earth Cares Congregation is a designation started by our national church to help congregations be aware of ways to care for our church property in a respectful way toward the planet, as well as educate our members and friends about environmental justice needs. Several of us from the Bible Study are forming a team to work on earning the points we need to receive this designation. It involves points in the areas of worship, facilities, education, and outreach. As a team, we wanted to reach out and see if there were any members or visitors that would be interested in joining our Earth Cares team! There is no age requirement, and we'd love to have some youth join our team (this also might qualify for some of the service hours needed in your school)!

We need to begin working toward earning 100 points to be certified as an Earth Cares congregation by the application deadline at the beginning of 2026. If you'd like more information or know you'd like to join the Earth Cares team, please contact Catherine Fritz. You can also reach out to other team members: Linda Reed, Rae Logan, Linda Bridges, and Susan Reinarz.

## Bookworms

Wednesday, May 7 @ 2:00 PM on [Zoom](#)

*Britt-Marie Was Here* by Fredrik Backman

In May we will be reading *Britt-Marie Was Here* by Fredrik Backman. Britt-Marie is a socially awkward, fussy, busybody who can't stand mess. It's not her fault that her attempts to "help" people are frequently misinterpreted! When she leaves her cheating husband, she gets a job as a caretaker at a soon to be demolished recreation center and promptly gets involved with an interesting assortment of people. When asked to lead a children's soccer team, what could possibly go wrong?

Our upcoming books are:

June—*The Woman They Could Not Silence* by Kate H. Moore

July—*The Exiles* by Jane Harper

August—*The Frozen River* by Ariel Lawhon

September—*The Women* by Kristin Hannah

Their first project, a non-profit restaurant, focuses on healthy, quality meals made from fresh ingredients. Their menu has no prices. This is a give and take concept. They ask guests to do one of the following:

- 1) pay what you can afford,
- 2) pay what you would typically pay, or
- 3) pay what you would typically pay, plus a little extra.
