The Well

MONTHLY NEWSLETTER OF
WESTMINSTER PRESBYTERIAN CHURCH

Dear saints,

This summer, we hosted a sweet baby shower for Ramiro Koym-Garza. Our choir member Joy led a game where we had to fill in the lyrics for a variety of lullabies. I noticed her daughter Olenna was doing a REALLY good job at that game. Olenna shrugged her shoulders and said, "Well, my mom sang them all to me!" Come to find out, not only did Joy sing them to Olenna - Joy's mom and fellow choir member Sue first sung them to Joy!

What lullaby did your parents sing to you? The two I remember the most are "You Are My Sunshine" and "Baby Beluga." My mom would sing them to me even as I got older. Even as an adult, I would seek out those songs when I needed a little comfort. Then I got to pass it down to my own children. I found myself drying off a little 3 year old, and almost by instinct I started singing: "Baby Beluga in the deep blue sea..."

This is what a legacy is like: passing down a song from generation to generation, each person discovering new verses or remixing it before they pass it on. Legacy gifts at church are not necessarily about putting your name on something. Legacy gifts are not only for the super wealthy. Instead, legacy gifts equip the next generation to carry on the faith of Jesus Christ and the ministry of WPC. It may not look exactly like it did in our time; it may not sound the same. But we give thanks to God that they will take the song of faith and sing, that these lullabies of faith will continue.

When you look through this newsletter, you'll see what your legacy support means for our WPC family of faith: all-ages faith formation, special worship services, passing on the stewardship of creation, learning and teaching about being the hands and feet of Christ in our community. Thank you for your role in singing our lullabies of faith.

Grace and peace,

Kate

Camp Gilmont Dedication of New Lodge & Welcome Center

Camp Gilmont, in east Texas, began a capital campaign three years ago to grow and enhance their ministry and the facilities. They are nearing the end of construction on their new lodge and welcome center, increasing lodging for staff and campers, and several other renovation projects. On Saturday, October 10, they held a commissioning and dedication service and gave tours of the new areas.

In the process of ending 118 years of ministry, First Presbyterian Church of Grand Prairie, was able to donate $500,000 to Camp Gilmont. For this generous donation, the Welcome Center Courtyard will be named in honor of FPCGP. In attendance at the service on Saturday were six former members: Dennis Yater, Ken Lantz, Rev. Jim Reinarz, Sue Bryan, Doug Bryan and Chris Chandler. Also in the photo are Rev. Kenny Rigoulet, camp director and Rev. Christopher Lee, executive presbyter of Grace Presbytery.

Camp Gilmont is a beautiful and peaceful place amidst the tall pine trees near Gilmer, TX. They offer programs for families, all ages of youth, and retreats for women and men. If you haven't been there check out www.gilmont.org and makes plans to go in the near future.

WPC Financial Report

Happy November! The temperatures finally feel more like fall. That means the holidays will be here before we know it! By now, most of you have received your third quarter giving statement as well as a letter from Pastor Kate and our Stewardship and Finance Elder, Rob Henderson. If you haven't received it yet, it's in the mail or I will have it for you in worship on Sunday, 11/1. Be sure to take a look at the giving statement and make sure that it makes sense to you. We want to make sure that all giving is appropriately reflected in the giving statements. As a reminder, if you give cash on Sunday morning and don't put it in an envelope with your name on it, you won't get credit for it. It goes into our books as "loose cash." Electronic giving is always available. The church accepts Zelle and Paypal with Zelle being our preferred method of electronic giving. Our email for electronic giving is: Treasurer@wpcarlington.org

Wednesday, November 4 @ 2:00 PM on Zoom

In November we are reading *Canary Girls* by Jennifer Chiaverini. Set in World War I England, this novel tells the story of Lucy, the wife of a footballer; April, a former housemaid; and Helen, wife of an industrialist who owns a munitions factory. These three women find common ground as they work in the factory and join forces to form a women's football team. Called “Canary Girls” because of their yellowish skin tones from working with munition chemicals, these women represent those on the home front who fill traditional men's jobs to help win the war.

Our December selection is *We All Live Here* by Jojo Moyes. A New York Times bestseller, this novel tells the story of Lila Kennedy who is dealing with a broken marriage, two wayward daughters, a deteriorating house, and an elderly stepfather who seems to have moved in. With a challenging career and a complicated love life, she is distressed when her real dad suddenly appears on her doorstep. The theme of the book is forgiveness and what it actually means to be a family.

Looking ahead to 2027, upcoming choices are:
January—*The Doorman* by Chris Pavone
February—*The Phoenix Pencil Company* by Allison King
March—*All Fours* by Miranda July
April—*The Ride of Her Life* by Elizabeth Letts

If you haven't joined us by Zoom at 2:00 pm on the first Wednesday of the month, it's never too late!! Come for one meeting or come for all!!

The Earth Cares Committee at WPC is hosting our first film festival this fall highlighting three award-winning films that will inform, entertain, and impress you with their creative and diverse approaches to highlighting issues around environmental justice. The movies will occur over three weeks in late October to early November, held in WPC's Sanctuary. Light refreshments and optional discussion will follow in our Fellowship Hall. Please join us for the following amazing films:

THE AMERICAN SOUTHWEST

Saturday, October 24

4:00 PM – 6:00 PM

Follow the nearly 1,500-mile path of the Colorado River from the Rocky Mountains down to the Gulf of California. It highlights regional animals like beavers, bull elk, condors, rattlesnakes, and jaguars and addresses water overuse, the impact of dams, and the ongoing climate crisis, acting as a call to action for conservation.

FLOW

Sunday, November 1

1:00 PM – 3:00 PM

Flow follows a courageous cat after his home is devastated by a great flood. Teaming up with a capybara, a lemur, a bird, and a dog to navigate a boat in search of dry land, they must rely on trust, courage, and wits to survive the perils of a newly aquatic planet. This film is a profound meditation on the fragility of the environment & the spirit of friendship and community.

OUR MOVEMENT STARTS HERE

Saturday, November 7

4:00 PM --6:00 PM

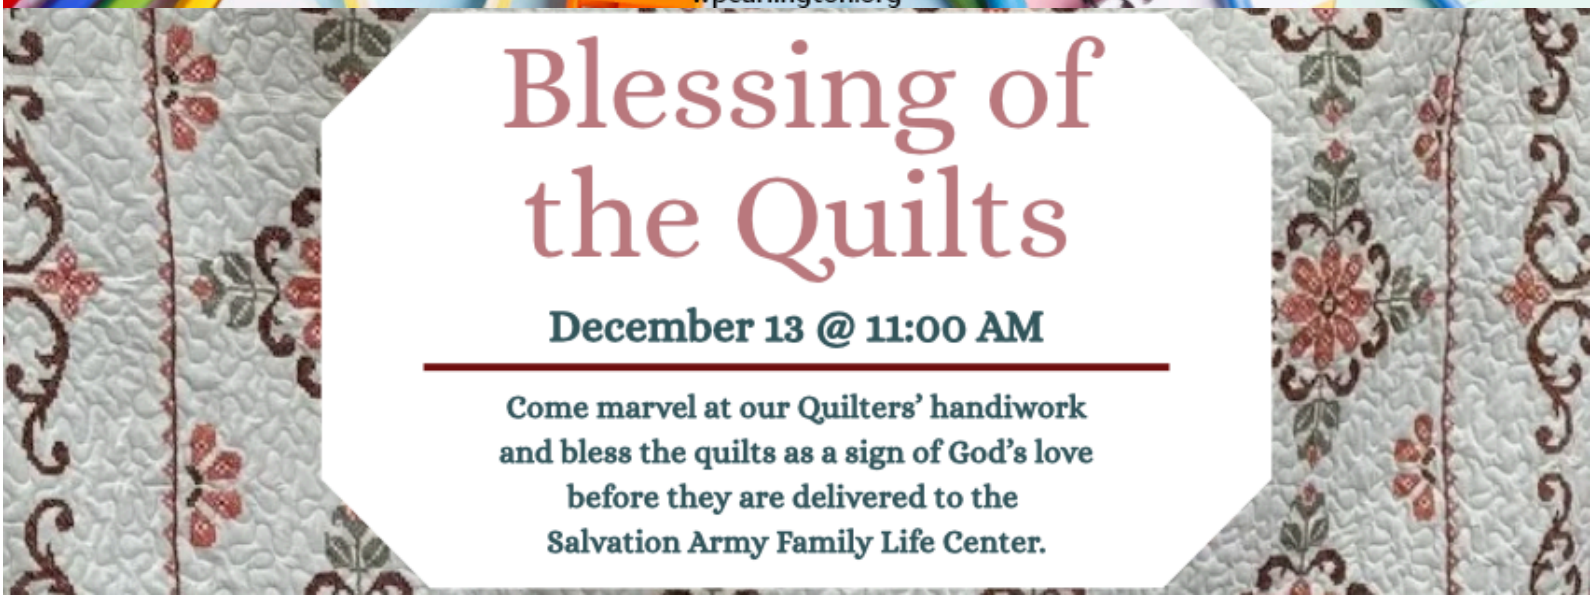

A powerful documentary about grassroots activism and environmental justice in the American South. The film centers the story of a rural community in North Carolina who articulated the concept of environmental racism in 1982 by fighting the state's toxic landfill. This landmark action brought together civil rights activists and environmentalists to fight for a common goal.
