WELCOME

We are delighted that you have chosen Westminster Presbyterian Church for your wedding! We will assist you in every way possible to make your wedding a joyous, meaningful, and memorable occasion. A marriage service in the church is a Christian ceremony honoring God. Its social importance is only incidental to its spiritual significance.

This booklet has been prepared to guide you. Please save it and consult it frequently as you make your plans. A wedding coordinator from the church will represent the interests of Westminster Presbyterian Church as she works with the engaged couple and wedding party to make your wedding a positive experience. **If you have any questions or need advice during the planning of your wedding, please call the wedding coordinator rather than calling the church office.**

LET'S BEGIN!

1. Please read this booklet, taking notice of all rules and fees.
2. Inquire as to your chosen date, securing that date on the church calendar with a \$50, non-refundable deposit. No weddings will be scheduled for December 31, January 1, Holy Week-Easter Sunday, July 4, Thanksgiving, Christmas Eve and Christmas Day. No weddings will be scheduled for a Sunday.
3. Schedule a meeting with the wedding coordinator to tour the building and discuss the policy. Please do not sign until you have read the entire booklet and agree to abide by its policies.
4. The Westminster pastor must officiate, co-officiate or invite the pastor who will officiate at your wedding. A visiting pastor must be approved by the Westminster Session.
5. The officiating pastor shall require at least one counseling session with the couple in order to plan the wedding service. Premarital counseling is required, either with Westminster's pastor or someone else.
6. Time restrictions:
 - Rehearsal: One hour
 - Ceremony only: Two hours preceding, one hour following the wedding service.
 - Ceremony and reception: times may be negotiated to accommodate set up.
 - Weddings with evening receptions at the church should begin no later than 7:00 p.m. and the reception, including clean up, should conclude by 11:00 p.m.
7. All fees must be paid **no later than 2 weeks prior** to the wedding rehearsal. Should the wedding not take place, all fees will be returned except for the original \$50 deposit.

FACILITIES

- The sanctuary will comfortably seat between 130 and 150.
- Fellowship Hall (50' X 50') will accommodate at least as many as the sanctuary. For smaller receptions it may be sectioned off. There is a large kitchen off Fellowship Hall, which may be used for food preparation. In the hall, are 20+ tables (6' X 2 ½'), 120 padded banquet chairs and plenty of additional metal folding chairs.

- Rooms are available if the engaged couple and their attendants wish to dress at the church. Before leaving, double check the dressing areas, sanctuary and reception hall to be sure nothing is left behind. The church cannot be held liable for personal possessions of the wedding party or their guests. Please do not leave valuables unattended.
- The nursery may not be used by non-members because of hygiene and liability issues.
- The sideboard in the hall may be used for the guest book.
- The church does not provide candelabras, table coverings, dinnerware, eating utensils, pots/pans, dishtowels, etc.
- Westminster is a smoke-free, drug-free, weapon-free building. Please inform your attendants and guests of this policy. The serving of champagne/wine/beer at the reception may be discussed with the minister or coordinator. The engaged couple is responsible for hiring a certified security guard or police officer if alcohol is served.
- During the 6 week period between the first Sunday of Advent through Epiphany, there will be a lighted Christmas tree and lighted wreaths in the sanctuary. These may not be removed.
- The sanctuary sound system and operator is available for use, which includes three hands-free wireless microphones and two hand-held microphones. Music can also be played through the sanctuary sound system. Sound system operator requires at least 4 weeks advance notice for scheduling.

Please remember that you are a guest of Westminster and as such, please treat the building and its furnishings with the same respect you would give your own or someone else's home.

THE REHEARSAL

- Schedule the time of rehearsal at the time the sanctuary is reserved. Consider work schedules, rush hour traffic, and the time reserved for your rehearsal dinner in setting a time.
- All those participating in the wedding (including ushers and any family members) should be in attendance.
- Rehearsals should begin promptly at the scheduled time. Please ask all those involved to be prompt. The rehearsal must not last longer than one hour. After that time, an additional fee of \$15 per quarter of an hour, or portion thereof, will be deducted from the damage deposit. The same fee will apply to "overtime" following the wedding.
- The rehearsal is under the direction of the minister in charge. The wedding coordinator will assist as requested.
- At the time of the rehearsal, the marriage license should be given to the minister. The minister is required to send the marriage license to the county courthouse immediately following the wedding. If you would like a photocopy, please ask the wedding coordinator.
- Please remember that the sanctuary is a place of worship and respect.

Final requests for additional equipment must be made at the time of the rehearsal. Below is a checklist for your convenience. Please circle those items you wish to use and give the list to the coordinator:

Piano

Candle-lighters

Sound System

Microphones other than the stationary ones at the pulpit

Chairs for use by instrumentalists

Other _____

Participants in the service (i.e., pastor, musician, etc.) and their spouses will attend the rehearsal dinner and reception only as they are invited. Attendance should not be assumed, nor do they expect that you have to invite them.

THE CEREMONY

A wedding at Westminster Presbyterian Church is an act of worship. The PC(USA) Book of Order states: *The Christian marriage ceremony is a service of worship before God, normally conducted within the house of God.*

**Out of courtesy to your guests, your wedding party, and the pastor,
your wedding must begin at the scheduled hour.**

Decorations:

From the Book of Order: *Flowers, decorations and other appointments should not be unduly elaborate. In all activities surrounding the ceremony, excessive expense and ostentation should be avoided.*

- Any decorations should be in good taste, enhancing, rather than detracting from the beauty and worshipful atmosphere of the sanctuary.
- The communion table may not be moved off of the chancel. No floral arrangement may be placed on the communion table.
- All candles should be dripless or "sheathed." A non-flammable floor covering must be put under wax candles. Wax candles should be extinguished by snuffing rather than blowing them out which causes wax to fly.
- Pew bows must be attached with plastic floral clips cushioned by felt or a non-abrasive material (**NO** tape or wire, please). No candles may be used in the aisle.

Audio Visual Equipment and Photography:

- The decision to use flash pictures during the ceremony is left up to the pastor and the engaged couple. Please have ushers inform those guests with cameras if pictures are not allowed during the service.
- Pictures may be taken before/after the ceremony in any part of the building. Photography preceding the wedding must be completed no later than one half hour before the scheduled time of the service.
- The sanctuary's existing light is the only lighting allowed during the service.
- The pastor and/or coordinator must be given notice of any audio and/or visual recording. A request to use the Westminster audio equipment must be made in advance.

Music:

From the Book of Order: *Such music as accompanies the ceremony should direct attention to God, who sanctifies marriage, and special care should be taken to assure that it is suitable and reverent. If desired, the congregation may be invited to join in the singing of hymns at the beginning and/or conclusion of the service.*

- The WPC organist will normally play for the wedding service as she is familiar with the liturgy of the church and with the pipe organ. ***It is the responsibility of the engaged couple to contact the organist.*** Ask your coordinator for her contact information.
- A piano is also available in the sanctuary.
- The Westminster organist can suggest a variety of music, which will accentuate the joy and reverence of the wedding service. The text of the solos used in weddings should be God-centered, emphasizing the relationship between God and the church.
- Soloists are also available for an additional charge.
- The Westminster pastor and/or organist will have the final music approval.
- If special music is requested which is not in the organist's library, it will be the responsibility of the engaged couple to furnish copies of the music.

THE RECEPTION

- The wedding party or caterer is responsible for the arrangement of tables and chairs. All tables, chairs and bulletin boards must be replaced in their original positions at the end of the reception. It is recommended that you take a picture of the hall prior to moving tables/chairs as a reference.
- The kitchen is for food preparation only. While the refrigerator may be used, the ovens and dish-washer require special permission and supervision by the wedding coordinator.
- A piano is available in Fellowship Hall, as well as a MP3 capable sound system.
- A six-foot round table with a floor-length white cloth is available for an additional \$50 charge. The additional fee is for set up, laundering and pressing the cloth.
- The caterer should clean up to the point that the custodian should only have to vacuum, mop and clean glass doors.
- Please bring your own soap, dishtowels, trash bags, coffee, coffee filters, tea, sugar, creamer, etc.
- Please do not nail, tack or tape anything to the walls, nor lean anything against them.
- Birdseed or bubbles are allowed outside only...that includes distribution. If empty bottles, tulle or ribbons must be picked up, there will be a \$10 deduction from the damage deposit.
